2026 ICECS

33rd IEEE International Conference on Electronics, Circuits and Systems

ICECS (International Conference on Electronics Circuits and Systems) is an international conference dedicated to circuits and systems, held annually in Region 8 (EU, Africa, and the Middle East).

The 33rd edition of this IEEE Circuits and Systems Society flagship conference will take place in Thessaloniki, Greece, 8–11 November, 2026.

The congress is an annual event designed to bring together industrial players and academics, to communicate on the latest advances in the discipline and to encourage exchanges on current issues.

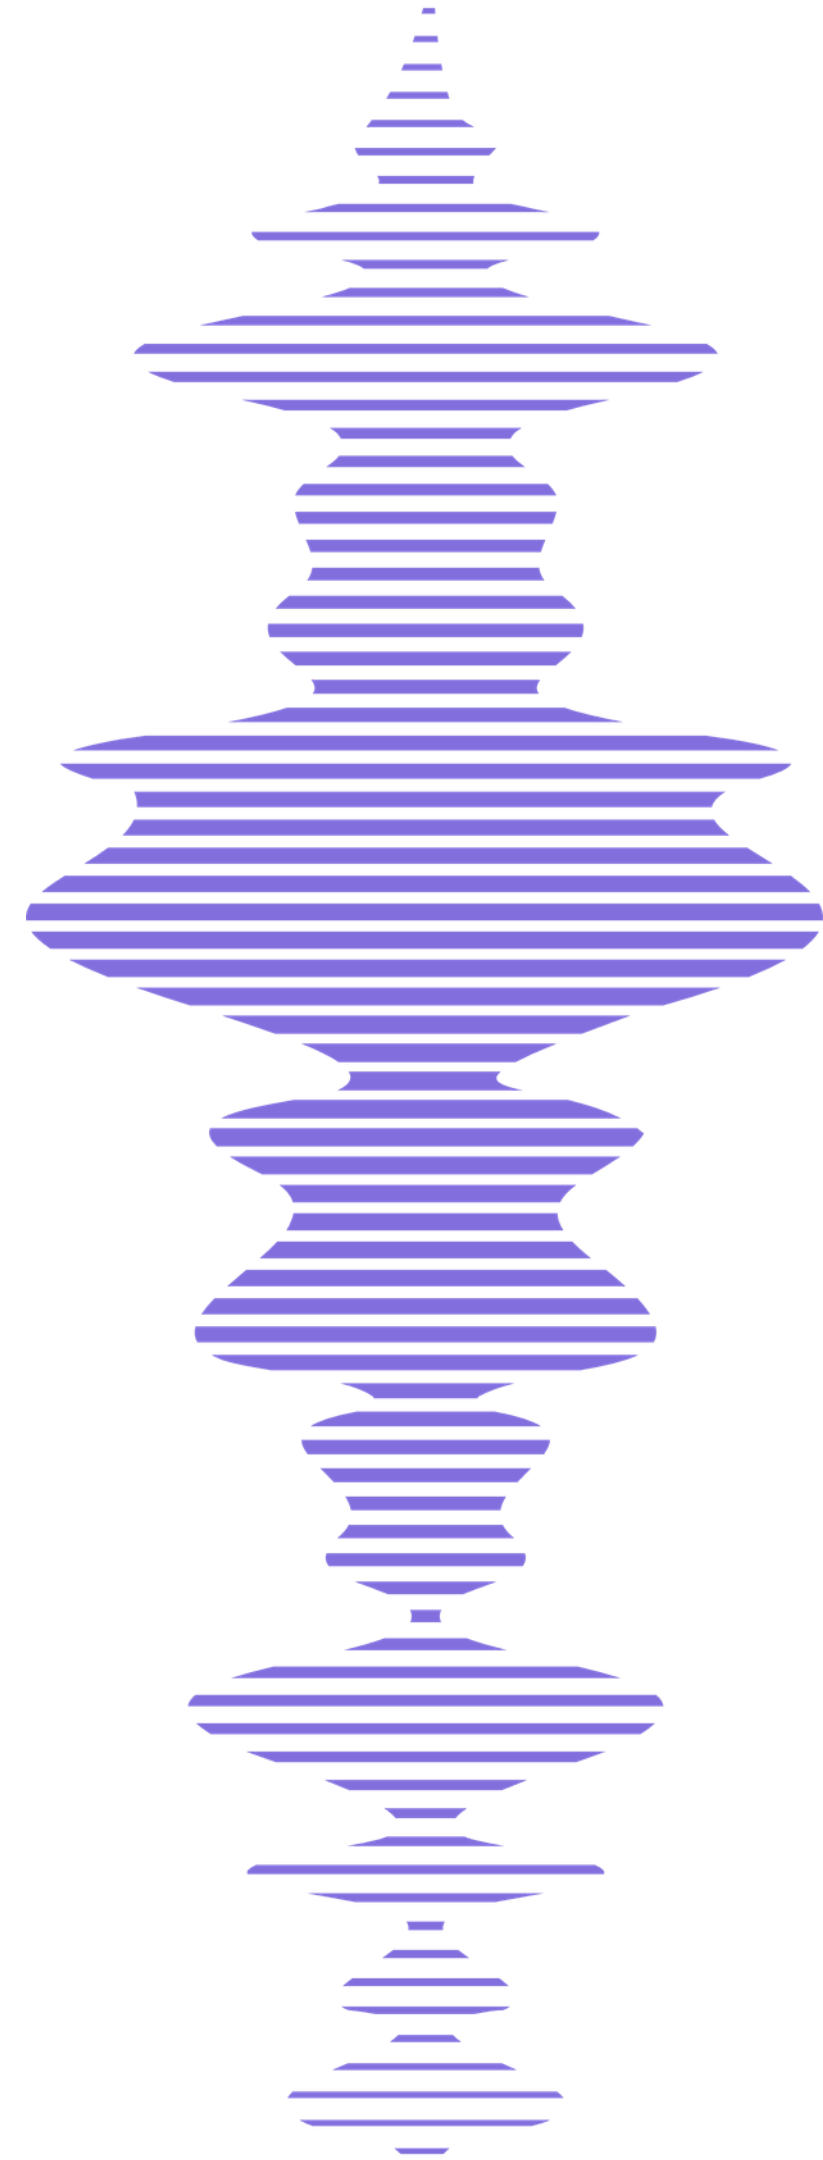

Every sponsorship directly fuels the success of this event. Your contribution helps us deliver high-quality programming, expand our reach, and provide meaningful opportunities for attendees, participants, and the community.

We look forward to welcoming you to Thessaloniki!
