

Young Professionals Session

An interactive panel discussion on early careers and generative AI, followed by the Young Professionals poster session. Open to all conference participants and university students.

Tuesday, 10 November 2026, 16:00–17:30
The Met Hotel, Thessaloniki

Programme

- **16:00** Panel discussion
- **16:30** Open Q&A
- **17:00** YP poster session

Panel Discussion

Launching Your Electronics Career in the Age of Generative AI

How do young electronics engineers launch their careers? Panelists from industry, academia and the student community discuss skills, first jobs, the education–industry gap and career growth, and how generative AI is changing all of them. Bring your questions!

Meet the Panel

 Dr. Fotis Giannopoulos Prisma Electronics	 Kristi Nikolla Thess IC	 Dr. Vasiliki Gogolou Aristotle Univ. of Thessaloniki	 Konstantinos Kapetanios IEEE AUTH Student Branch	 Thomas Gavis MSc student, Aristotle Univ.	MODERATOR Dr. Vasilis Ntinas Aalborg University
---	---------------------------------------	--	--	---	---

Young Professionals Poster Session

Selected short papers across all ICECS topics, presented by their young authors. Meet the presenters and join us for the **Best YP Poster Award**.
